## Notes for the Evaluator

The member completing this project spent time preparing a plan for communicating change to groups affected by the change. Check with the member to understand the change and the audience your club represents.

**Listen for:** A well-organized speech about a real or hypothetical change. The speech may be humorous or informational, but must reflect an understanding of the audience. For example, if the member is announcing the departure of a company's CEO, it would likely be inappropriate to give a humorous speech. Focus part of your evaluation on how effectively the member communicates the change, both in tone and with ample information about the impact of the change.
